

GEARS FOR MUNCIE & T10 TRANSMISSIONS

For over fifty years Auto Gear has delivered the highest quality manual transmission gears. Our Muncie M22 gearset (shown) is typical. Some vendors purchase the 'unimportant' gears in India or China. They must be smarter than we are – we think they're all important, so all six of our gears are manufactured for us in Italy by Antonio Masiero S.p.A.

For General Motors cars from 1957 to 1988, we offer the most complete range of Muncie and T10 gearing available. Every piece meets our standards before we put our name on it. You can buy cheaper gears elsewhere. You can't buy better gears anywhere.

Its your car.
